

Level 2 NVQ Diploma in Interior Systems (Construction) (QCF)

About the course

The Level 2 NVQ Diploma in Interior Systems allow learners to demonstrate competence at a level required by the Construction and Built Environment Industry.

Structure of Course

To achieve the qualification a minimum of 40 credits must be achieved in total, 10 credits from the 3 mandatory core units and a minimum 30 credits from the 4 Pathways. Achievement of any additional optional units will be recognised and recorded on the certificate.

Assessment

All units in this qualification are assessed by portfolio. Evidence for this qualification must come from the learner's consistent performance in the workplace and must meet the requirements of the Proskills QCF Assessment. Further guidance for each unit is available upon request. All Assessment Criteria must be met in each relevant unit to achieve this qualification.
