

## Level 3 NVQ Diploma in Occupational Work Supervision (Construction) (QCF)

### About the course

The Level 3 NVQ diploma in Occupational Work Supervision allows learners to demonstrate competence at a level required by the Construction and Built Environment Industry.

### Structure of Course

To achieve this qualification the learner must achieve all mandatory and optional units agreed via competence based observation and knowledge based assessments including passing the relevant Functional Skills grade in both English and Maths.

### Assessment

The overall grade for NVQ qualifications is a 'pass'. The learner must achieve all the required units within the specified qualification structure.

To pass a unit the learner must:

- achieve all the specified learning outcomes
- satisfy all the assessment criteria by providing sufficient and valid evidence for each criterion
- Show that the evidence is their own.

NVQ qualifications are designed to be assessed:

- in the workplace or
- in conditions resembling the workplace, as specified in the assessment
- Requirements/strategy for the sector, or as part of a training programme.
