

Level 2 NVQ Certificate in Traffic Office (QCF) (Logistics)

About the course

These qualifications require individuals to demonstrate competence and knowledge against National Occupational Standards (NOS) which are based on the needs of the Traffic Office industry as defined by Skills for Logistics, the Sector Skills Council. As such they contribute to the development of skilled labour in the sector.

Structure of Course

To achieve this qualification, learners need to complete all nine units, totalling 22 credits. This qualification is 115 guided learning hours

Assessment

The overall grade for these qualifications is a 'pass'. Learners must achieve all the required units within the specified qualification structure.

To pass a unit the learner must:

- Achieve all the specified learning outcomes
- Satisfy all the assessment criteria by providing sufficient and valid evidence for each criterion
- Show that the evidence is their own.

The qualification is designed to be assessed:

- In the workplace or
- In conditions resembling the workplace, as specified in the Skills for Logistics Assessment Guidance for the sector, or
- As part of a training programme.
