

## Level 2 NVQ Certificate in Principles of Providing Security Services (QCF) (Security)

### About the course

The Edexcel Level 2 Certificate in Providing Security Services (QCF) allows people working in frontline security services to gain a qualification that attests to their occupational competence in day-to-day work.

### Structure of Course

All learners must complete the four mandatory units in Group A, for a total of 9 credits. They must also complete any further mandatory units (where applicable) and optional units from within one pathway from Group B to make combined minimum total for the qualification of 22 credits. Where learners achieve their optional units from one of the following three pathways, their certificate will be endorsed to show the relevant occupational area in which the competence was achieved. These endorsed pathways are:

- Static and Patrol Guarding
- Door Supervision
- CCTV Operation.

### Assessment

The overall grade for the qualification is a 'pass'. The learner must achieve all the required units within the specified qualification structure. To pass a unit the learner must:

- Achieve all the specified learning outcomes
- Satisfy all the assessment criteria by providing sufficient and valid evidence for each criterion

Show that the evidence is their own.

The qualification is designed to be assessed:

- In the workplace, or
- In conditions resembling the workplace (where this is permitted).
